Dear James,

The Charles D. Jacobus Family Foundation is pleased to award your organization \$8,000 for the Independent Living Program as part of our Healthy Children's Initiative. Please find the check enclosed. I so enjoyed the opportunity to visit with your organization and am very grateful for the work you do for the children and families of our community

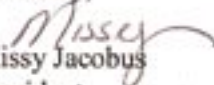

At the end of the program, the Board of the Foundation requests a brief evaluation of how the funds were used and if they achieved the results you had outlined in your proposal. Please send me a summary at the end of your program or by September end, 2005. I will follow up with you at that time to arrange a time to review the evaluation.

EVALUATION REQUEST:

- Brief overview of how the funding was used
- Did the program meet your expectations?
- What would you do differently if you could do it over again
- Number of youth that participated
- Demographics of group and schools the youth attend
- What changes in behavior were you hoping to change and what happened?
- Other funders participating
- Did you get the contracts you hoped to?
- How did you get the youth to participate?
- How did foster parents respond?
- Did you talk to the youth to find out if they found program helpful?

We look forward to working with you this year. I will contact you via email to request your permission to post a short description of your project and to hot link your website on our Foundation website. If you have any questions I can be reached at 414-577-0252 or email me at mcampion@jacobusenergy.com.

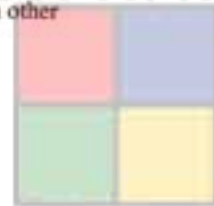

Sincerely,

Missy Jacobus
President

P.S. Please make any acknowledgments of the grant to the Charles D. Jacobus Family Foundation to avoid confusion with other Jacobus Family Foundations.
